E-Safety - Who you can turn to:

All students receive e-safety guidance both in lessons and assemblies; however, we strongly encourage parents to take an active role in monitoring their daughter's on-line and social media activity to ensure they are safe. You can find more helpful information on the e-safety section of the CCHSG website or alternatively access the websites below. If you have a specific e-safety concern regarding one of our students then please do not hesitate to contact the school safeguarding lead, Mrs Jackson, or a member of the pastoral team. There will be an important e-Safety event and e-safety parent workshop led by the 2 Johns in the Spring Term 2021.

Common Sense Media - <https://www.commonsensemedia.org/>

Think U Know - <https://www.thinkuknow.co.uk/>

Recording Progress in Year 11 2020-21

Your daughter's attainment and progress will be measured using the GCSE Grades 9 to 1.

In Year 9 each student was issued with a School Target Measure (GCSE Grade) for each subject. GCSE Grades (9-1) are in line with the reformed examination specifications for GCSE and are generated from the FFT Aspire database. This database uses the school context and Key Stage 2 information to provide an indication of the GCSE Grade the student should achieve at the end of Year 11. We take these grades as a starting point, but also took into consideration progress in years 7 and 8.

Progress Checks and School Reports issued during Year 11 will provide a Working at Measure (GCSE Grade) for each subject that will be generated as a result of the consideration of the classwork, homework, assessment tasks and in-school examinations carried out by the student. It suggests the **GCSE grade** the subject teacher considers the student **will achieve in their GCSE at the end of the GCSE course if they continue to work in the current manner**.

All students will sit School Examinations in all of their subjects at the end of the Autumn term. School Examination Results will provide the Progress Measure (GCSE Grade) the student achieved in the assessment set by the subject.

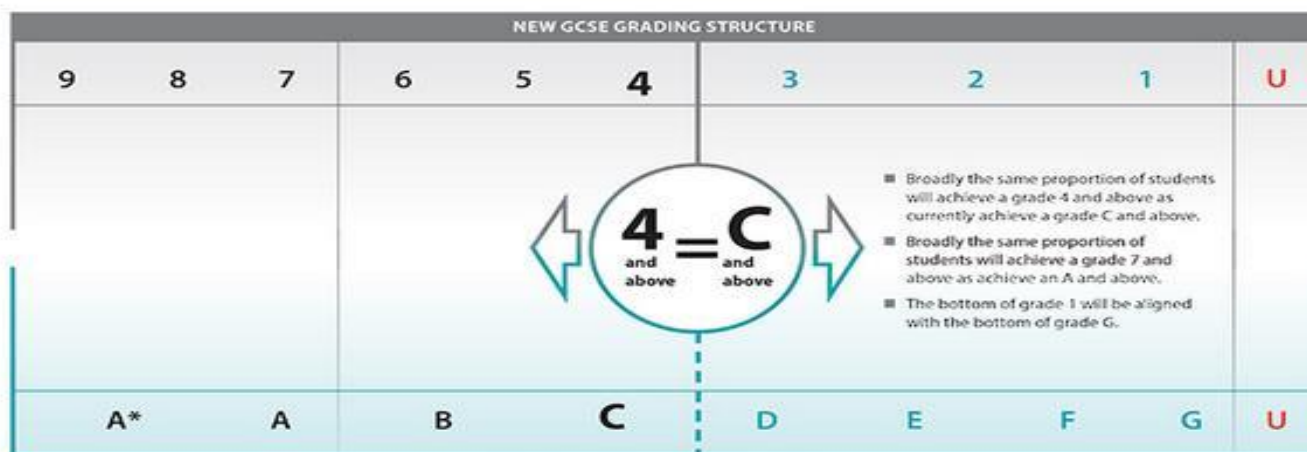

Attitude to Learning

After each progress check students will also be issued with an Attitude to Learning Measure (ATL) which indicates the current approach they are taking towards their studies. They will be issued with a measure between 1 and 4; the descriptors of which can be found below:

- 1 – Attitude to learning is outstanding
- 2 – Attitude to learning is good
- 3 – Attitude to learning requires improvement
- 4 – Attitude to learning is unsatisfactory

GCSE Grades (9-1) are in line with the reformed examination specifications for GCSE.

Grading the New GCSEs in 2017 Ofqual

The chart above shows the link between the reformed GCSE (9-1) grades and the recently used GCSE (A*-G) grades with which you are probably more familiar.

In the autumn term each student will be issued with a School Target Measure for each subject. The School Target Measure for each subject is generated for each student using Fischer Family Trust (FFT) estimates from KS2 and/or CAT Tests and considering progress at KS3.

Progress Checks and School Reports issued during Year 11 will provide a Working at Measure for each subject that will be generated as a result of the consideration of the classwork, homework, assessment tasks and in-school examinations carried out by the student. It suggests the **GCSE grade** the subject teacher considers the student **will achieve in their GCSE at the end of the GCSE course if they continue to work in the current manner.**

School Mock Examination Results will provide the Progress Measure (GCSE Grade) the student achieved in the assessment set by the subject. All students in the year group studying a subject will sit the same assessment during the Year 11 Mock Examinations later in the autumn term.

Examinations

If there are any circumstances you feel may affect your daughter's examination performance please ensure that you have informed Mrs Mandal our Examinations Officer. Mrs Mandal can be contacted by telephone on 01206 576973 or via email at smandal@cchsg.com. If your daughter is ill on the day of the examination Mrs Mandal must be informed that day and a letter from her GP is required for the school to be able to apply for special considerations.

Year 11 Curriculum Outline 2020/21

The table below provides an outline of which topics/modules are planned to be taught in each of the three terms across the year. The topics/modules may not be taught in the order listed, but should be taught during the term outlined.

Subject	Autumn Term	Spring Term	Summer Term
Art and Design (GCSE) Pearson Edexcel 1FA0	TOPIC: THE HUMAN CONDITION Key Skills: painting/ drawing/ sculpture/ mixed media/ composition <ul style="list-style-type: none"> development of supporting sketchbooks and making clear contextual links extending ideas to fully meet all four assessment objectives exploring new media and techniques reviewing and refining ideas final outcome(s) 	TOPIC: FINAL EXAM PREPARATION (ESA) Key Skills: painting/ drawing/ mixed media/ composition Preparatory planning sheets <ul style="list-style-type: none"> ideas generation examination development/ controlled assessment sketchbook/portfolio presentation preparation studies for examination gallery visit / contextual links 	TOPIC: FINAL PORTFOLIO PREPARATION/ HANGING EXHIBITION Key Skills: critical review and reflection/ selection/ contextual/ cultural development/ assessment <ul style="list-style-type: none"> portfolio completion and selection for marking planning for exhibition preparing for moderation, maximising potential to meet assessment objectives

Year 11 Core PE Curriculum Outline 2020-21

YEAR 11			
4 Weeks	Rounders World Cup		
Choices	LINE 1	LINE 2	LINE 3
3 Weeks	Netball	Ultimate Frisbee	Fitness (gym/ outdoors)
Half Term			
3 Weeks	Fitness (gym/ outdoors)	Football	Table Tennis
2 Weeks	Year 11 Examinations		
2 Weeks	Table Tennis	Handball/ Dodgeball (gym)	Yoga (dance studio)
Christmas Break			
Choices	LINE 1	LINE 2	LINE 3
3 Weeks	Dance	Netball	Badminton (hall)
3 Weeks	Table Tennis	Basketball (hall)	Swimming
Half Term			
3 Weeks	Ultimate Frisbee (hall)	Outdoor Fitness/Games	Table Tennis (gym)
2 Weeks	Indoor/outdoor Games	Indoor/Outdoor Games	Fitness (hall/ outdoors)
Easter Break			
7 Weeks	Options: Rounders or Tennis		

Students get to choose the sports you want to do in PE.

Students select a line, and follow it up until the end of term. Then get to choose a new line for the new term.

Outdoor games include: variations of football/ rugby, wingate ball etc

Fitness includes: Bootcamp, Zumba, HIIT training, aerobics and circuits

ATTENDANCE & PUNCTUALITY

Expectations

- ▶ It is the responsibility of everyone to ensure good attendance.
- ▶ We expect students to attend every day that the school is open.
- ▶ Attendance for most students is actually between 98% -100%
- ▶ We monitor and review the attendance of all students constantly and will involve parents when attendance falls below expectations.

Supporting Good Attendance

- ▶ **Phone** us as soon as possible to tell us why your daughter is absent, and when you expect her to return.
- ▶ Only grant days at home for **genuine** illness (please see the guide overleaf)
- ▶ If you notice a problem, contact us so that we can work together to resolve the issue. Pursuing the reason for non-attendance is important.
- ▶ Help your daughter to catch up with missed work

Please note that holidays taken in term time cannot be authorised.

Punctuality

Daily lateness adds up:

- ▶ 5 minutes late 3 days lost per school year
- ▶ 10 minutes late 6.5 days lost per school year
- ▶ 15 minutes late 10 days lost per school year
- ▶ 20 minutes late 13 days lost per school year
- ▶ 30 minutes late 19 days lost per school year

Good punctuality is as important as good attendance.

A student who is late disrupts the tutor group at an important part of the day; morning tutor time is filled with timetabled activities. In addition students might also miss any announcements of importance to them.

What it's called	What it's like	Going to school	Getting treatment	More advice
Chicken Pox	Rash begins as small, red, flat spots; develop into itchy fluid-filled blisters	Yellow	Pharmacy	Back to school 5 days after onset of rash
Common Cold	Runny nose, sneezing, sore throat	Green	Pharmacy	Ensure good hand hygiene

See www.patient.co.uk for further information on each of these conditions.

This information is a guide and has been checked by health professionals, however, if you are unsure about your child's wellbeing we recommend you contact your Pharmacy or GP.

PRACTICAL STRESS BUSTERS FOR TEENAGERS

DIET	<p>Eat healthily – make sure you have a balanced diet. Remember your 5 a day (full of antioxidants which can help reduce stress-driven unstable free radicals). Complex carbohydrates sustain long term energy levels and brain power. Eat breakfast. If you eat late, then eat light – no heavy meals before bed. You get out of your body what you put into it – junk in/junk out!</p>
WATER	<p>Keep hydrated; drinking plenty of fluid keeps your digestion healthy and moving. Carry a small bottle of water with you and refill when empty.</p>
SLEEP	<p>Your body needs rest. Have a good bedtime routine:</p> <ul style="list-style-type: none"> • Avoid TV, games, Facebook, Instagram, phones, tablets etc., half an hour before bed as they are too stimulating. • TURN OFF PHONES – don't get distracted just before trying to get to sleep. • Read a book for 10 minutes or listen to quiet music. • Keep bedroom dark and quiet • Don't go to bed too late; you won't sleep if you are overtired.
EXERCISE	<p>Do what you enjoy – running, cycling, aerobics, football, walking, swimming, yoga, pilates, playing drums(!) – use physical exercise to work off pent up feelings of irritation, annoyance, anger, frustration, aggression, etc.</p>
BAD HABITS/PROPS	<p>Recognise when you are tempted to use bad coping strategies, such as controlling your eating; they are not answers for dealing with stress – they just cause more anxiety: Your body is your best friend, treat it well – treat it with respect.</p>
SHARE	<p>Talk. Talk to someone about your problems - don't bottle up your feelings.</p>
PRACTICAL	<p>Use small exercises to ease physical tension – for instance stretch your shoulders front and back to loosen tense neck muscles. Take time for yourself – reading, seeing friends, hobbies, etc. Watch a funny show or crack a joke with a friend and notice how a little laughter can improve your entire mood. Sit or lie quietly with eyes closed:</p> <ul style="list-style-type: none"> • Concentrate on your breathing • Breathe deeply but without force • Visualise yourself somewhere peaceful/safe/happy • Allow positive feelings to fill you from within • Use positive affirmation: 'I can' 'I am' • Open your eyes slowly, listening to external sounds, and get up gently. • YOU CAN USE THIS ANYWHERE, ANYTIME.

VALUE YOURSELF AND DON'T BE A VICTIM OF STRESS

Sources of Support

- EWMHS: <https://www.nelft.nhs.uk/services-ewmhs>
- Website for young people: <https://kooth.com/>
- Young Minds also have a parent helpline: <https://youngminds.org.uk/>
- Parent advice: <http://www.theministryofparenting.com/>
- Self- help CBT approaches www.getselfhelp.co.uk
- Childline www.childline.org.uk Tel: 0800 1111
- Samaritans www.samaritans.org/how-we-can-help-you/contact-us Tel: 116 123
- Youth Enquiry Service <https://www.yesyouthenquiryservice.org/>

What to do?

- Talk to the young person and let them talk – they need you to listen and to understand
- Refer to your GP who may make a referral to EWMHS
- Young people can also self-refer to EWMHS if 14 or over
